

## TOWN OF ORLAND

### SOLID WASTE TRANSFER STATION RULES AND REGULATIONS

The Town of Orland Solid Waste Transfer Station is located at 180 Gray Meadow Road, in Orland and is scheduled to open by June 30, 2018. This facility is for disposal of Orland residential trash only.

- No Commercial Haulers allowed
- No Contractor vehicles allowed

#### TRANSFER STATION DECALS

A decal on the vehicle is required for access to the facility. Decals will be available at the Transfer Station.

**A current vehicle registration or real estate tax bill must be presented in order to obtain a decal.**

Specific colored stickers will be issued to Orland residents and a different color will be issued to seasonal residents.

|  |              | Christmas Day                    |
| <u>EARLY CLOSURES</u>  |              |                                  |
| December 24, closing at noon   |              |                                  |
| December 31, closing at noon   |              |                                  |
| <u>WEATHER RELATED CLOSURES</u>  |              |                                  |
| During severe weather the attendant may close the Transfer Station on a temporary basis to direct available personnel resources toward weather-related needs. All such temporary closures will be posted to the Town's website and Facebook page with as much prior notice as possible |              |                                  |

#### BEFORE YOU GO TO THE TRANSFER STATION DISPOSAL TIPS.....

- Tires all must have rims removed. No more than ten tires will be accepted.
- Tires must be able to fit into the compactor.
- Paint cans must be dry.
- Metal barrels must have at least one end removed and they must be washed out.
- Leaves, grass, and yard/garden clippings must be bagged and disposed of in the trash compactors along with solid waste.
- Tree limbs and branches must not exceed 10' in length.

#### ZERO -SORT RECYCLING

The Town of Orland operates a Zero-Sort recycling program at the Transfer Station. There is a separate container at the facility in which many recyclables are deposited. There is no need to separate these recyclable materials.

Recyclable materials that can be deposited in the Zero-Sort Container include:

|                             |                       |
|-----------------------------|-----------------------|
| Magazines and Books         | Newspaper             |
| File Folders & Office Paper | Mail & Greeting cards |
| Corrugated Cardboard        | Paperboard Boxes      |
| Paper Cartons               | Plastic Containers    |
| Large Rigid Plastics        | Metal Cans            |
| Glass Bottles               |                       |

- All boxes should be broken down and flattened
- Plastics – includes all that have the recycle symbol on the bottom #1-#7
- All plastic and glass should be rinsed clean and have all the caps and rings removed

Non-recyclable items that **cannot** be deposited in the Zero-Sort Container and must be deposited in the regular compactor include:

|                                   |                   |
|-----------------------------------|-------------------|
| Plastic Bags                      | Mirrors           |
| Window Glass                      | Light Bulbs       |
| Dishes                            | Pyrex             |
| Ceramics                          | Paper Towels      |
| Facial Tissue                     | Styrofoam         |
| Oils                              | Paints            |
| Hazardous Materials               | Contained Needles |
| Contained Syringes                | VCR Tapes         |
| CD's/DVD's                        | Pots and Pans     |
| Recyclables Containing Food Waste |                   |
